ImagineHousing
building eastside communities

ABOUT US:

Imagine Housing is the largest permanent, affordable housing nonprofit on the Eastside. We envelope our 1,400 residents in vibrant communities that bring together affordable, accessible housing and supportive services. We ensure affordable housing remains on the Eastside, one home at a time.

OUR MISSION: Our mission is to develop affordable housing, build welcoming communities, and foster vibrant futures. Our vision is an Eastside with interconnected and welcoming communities where all people can live, learn, work and play.

OUR HISTORY: In 1987, a small group of highly passionate people at St. Andrew's Lutheran Church in Bellevue, WA saw a clear need for more affordable housing in East King County. They soon formed St. Andrew's Housing Group as an independent non-profit organization focused entirely on creating affordable apartment homes in the region. As we grew with the community, our team saw the positive impact that stable housing creates for people and added staff to coordinate and provide services to support residents' stability. Today, because of the ongoing grassroots commitment of local citizens, 639 affordable apartments exist in Bellevue, Issaquah, Kirkland, Mercer Island and Redmond.

From the very beginning and for nearly 35 years now, our community has worked to preserve and expand permanent affordable housing options in King County's Eastside.
